

## Sales Manager Seeds BeNeLux (m/f/d)

Our client is a leading company in the production and marketing of a high-quality comprehensive seed assortment. We are looking for an experienced Sales Manager for Belgium, the Netherlands and Luxembourg to drive the development and coordination of the company's sales activities.

Are you interested? Give us a call or send us your application.

### What you can expect:

- Coordination of sales activities in the defined region
- Advice and support for existing Key Accounts and dealers
- Expanding customer potential and acquiring new Key Accounts
- Close cooperation with other central company departments, such as product management
- Organization and implementation of field days and demo trials
- Excellent career opportunities
- Attractive salary package and company car

### What is required:

- University degree in agricultural sciences or similar qualification
- Professional experience in sales and marketing desirable
- Profound knowledge of plant production
- Enthusiasm for sales and customer care
- Independent, reliable and structured way of working
- Good communication and empathy
- Negotiation skills
- Strong English language skills
- French and Dutch desirable
